SANTA ANA, CA – Operation Homefront announced that wounded warriors may register today to be the wounded service member selected to play a round with Corey Pavin on October 25th. TPC Craig Ranch, which is hosting the event, is located just outside Dallas, Texas, and will cover all fees to golf, to include the golf cart, lunch and dinner.

The selected service member will fly into DFW airport on October 24 and will fly out on October 26. All transportation to and from the airport and to and from the golf course will also be provided.

"Operation Homefront is honored that Corey Pavin would not only personally help us support the troops, but also spread the word to his fans worldwide," Palmer said. "Service members watching Mr. Pavin this season from tents in Iraq or mess halls on board ships now have extra reason to cheer him on."
