

The Salvation Army Bell Shelter

proudly welcomes

Amy Scruggs

An Evening Concert Honoring our Veterans

Amy's new single "Comin' Home" is a celebration song for our heroes. Scruggs has been officially endorsed by the AMVETS service foundation for California.

At the beginning of 2010 Amy decided to set aside touring and dedicated their musical talents completely to the Vets and troops for all her performances. With a year of life changing work with veterans and military families behind them, she is excited and humbled to be making an appearance here at Bell Shelter
