The USO Greater Los Angeles Area, Inc., is comprised of three USO Centers, our flagship operation, the 24/7 Bob Hope Hollywood USO at LAX, the USO at Ontario International Airport and the USO at Palm Springs International Airport.

Together we serve the needs of some 85,000 brave, young, American troops and their families each year.

MilitaryConnection.com is one of the most important resources that we offer to our visitors. Under the dedicated and talented efforts of Debbie Gregory and her team, MilitaryConnection.com offers instant solutions to the vast majority of questions or problems that daily face our military personnel.

On a personal note, I have had the privilege of attending a number of very special events that Debbie and her colleagues have presented each year. They rank amongst the most special events I have ever attended, and I happen to be a multi-E Emmy Award nominee and participate in many major Hollywood functions.

Our USO Centers offer a special salute to Debbie Gregory and her band of patriots for working so hard to make the military information highway so completely user friendly. I know that if our GIs had a rating system for web sites that MilitaryConnection.com would be right at the top!

Thank you for all that you do to make the lives of our troops and their families better.
